OUR COMMUNITY IMPACT

Since 2000, our affiliate has funded more than 397 grants totaling \$10.1 million to local community partners

ANNUAL COMMUNITY GRANTS

Through our latest community grants cycle, the following services were provided in our 41-county service area to un-insured and under-insured women and men:

- 464 breast awareness and cancer education
3089 clinical breast exams
88 survivorship support services
1494 breast ultrasounds

- 6420 screening mammograms
105 navigation services
598 diagnostic imaging services
272 biopsies
8 MRIs

*all numbers based on final grant reporting for FY 2020-21

KOMEN'S GLOBAL IMPACT

Research Since our inception, Susan G. Komen has invested more than \$1 billion in breast cancer research.

Care Last year, Susan G. Komen provided roughly 212,324 free or low-cost screening services.

Action More than 370,000 Susan G. Komen advocates fight for patient protections.

Community More than 1 million supporters participate in Susan G. Komen events across the nation.

research + care + community + action
