Treatment Assistance Program

Financial hardships shouldn't keep patients from getting the treatments they need, that's why we created the Komen Treatment Assistance Program. Eligible applicants may receive a \$300 award once per 12-month period to help with treatment related costs such as:

- Rent/Housing
- Utilities/Bills
- Side-effect management medication (e.g. pain, anti-nausea, etc.)
- Child care/elder care
- Oral treatment medication (e.g. chemotherapy, hormone therapy, etc.)
- Transportation to and from treatment
- Durable medical equipment (e.g. oxygen tank, walker, etc.)
- Lymphedema care and supplies
- Food or groceries
- Palliative care / Home health care

Applicants can apply online at komen.org/treatment-assistance-program

Komen HelpLine 1-877-GO-KOMEN (465-6636)

The Susan G. Komen® Breast Care and Clinical Trial Information Helpline provides information about breast health, breast cancer, as well as information and resources about clinical trials.

Calls are answered Monday - Friday 9:00 am - 10:00 pm EST. Phone interpreting services available. Calls answered in English or Spanish. You can also email helpline@komen.org.
